Spreads Like Wildfire.

You can't keep a good thing down  
News of it travels fast. When things  
are "the best" they become "the best  
selling." Abraham Hare, a leading  
druggist, of Belleville, O., writes:  
"Electric Bitters are the best selling  
bitters I have ever handled in my 20  
years experience." You know why?  
Most diseases begin in disorders of  
stomach, liver or kidneys, bowels,  
blood and nerves. Electric Bitters  
tones up the stomach, regulates liver,  
kidneys and bowels, purifies the blood,  
strengthens the nerves, hence cures  
multitudes of maladies. It builds up  
the entire system. Puts new life and  
vigor into weak, sickly run-down man  
or woman. Only 50 cents. Sold by  
Irvin & Co., druggist. Guaranteed.

The Best in the World.

We believe Chamberlain's Cough  
Remedy is the best in the world. A  
few weeks ago we suffered with a severe  
cold and a troublesome cough, and  
having read their advertisements in  
our own and other papers we purchas-  
ed a bottle to see if it would effect us.  
It cured us before the bottle was more  
than half used. It is the best medicine  
out for colds and coughs.—The Herald,  
Andersonville, Ind. For sale by all  
druggists.

For Over Fifty Years.

Mrs. Winslow's Soothing Syrup has  
been used for children teething. It  
soothes the child, softens the gums,  
allays all pain, cures wind colic and is  
the best remedy for diarrhoea, twenty  
five cents a bottle.

## Mines and

## Mining.

The latest reports from Sierra Moja-  
da, Coahuila, state that the fire in the  
Veta Rica mine is still burning.—Exch.

Mr. J. Callisher of Magdalena, has re-  
cently located a six-foot copper ledge,  
near that town, ore from which goes  
thirty per cent.—Exch.

In the Abogado mine, near Gavilan, de-  
velopment work has penetrated a body  
of excellent ore, and it is anticipated  
that shipments will begin shortly.—  
Exch.

A rich strike has been made in the  
Cinco de Mayo mine in the Escondida  
mountains, state of Chihuahua. Assays  
give 500 ounces of silver to the ton.—  
Mexican Exch.

A new mine recently discovered in  
the Pilares district, of the state of So-  
nora, about ten miles west of the fa-  
mous Cinco de Mayo mine, assays 16 per  
cent copper and 85 ounces silver to the  
ton.

It is credibly reported that at El Ur-  
bano mine, near Torres, the shaft has  
cut an eighteen-inch vein, at a depth  
of 300 feet, which is yielding ore run-  
ning from 200 to 1,000 ounces in silver.  
—Mexican Herald.

A force of men will shortly be plac-  
ed at work on a group of claims in  
Colla canyon and owned by Milo Hill,  
at Santa Fe. Some very rich ore has  
been found on these claims recently.—  
Albuquerque Citizen.

The bank of Deming last Saturday  
purchased the valuable Dell mine in  
the Hillsboro district, at the mortgage  
sale. Consideration, \$3,010. Thos. C.  
Hall, a claimant, entered a protest  
against the sale.—Deming Headlight.

With resumption of work at Las  
Cruces, and the work going on at Abo-  
rado and Gavilan mines, there is a  
stretch of country, not more than half  
a mile in radius, which will be very  
richly the coming summer.—Mexican  
Herald.

Specimens of hultzuicute, a new ore  
discovered in a new mine opened up  
near Hultzuico, Guerrero and belong-  
ing to the heirs of the late Sr. Rome-  
ro Rubio, assay ten per cent mercury.  
The ore also has considerable arsenic  
and antimony.

John Luke has twelve men at work  
on his Gretna mine near Crowned  
King. He expects to have 1000 tons of  
ore milled very soon. He has encoun-  
tered quite a volume of water in the  
tunnel which is now in 500 feet.—  
Journal-Miner.

The Black Warrior Copper company  
is building a track 6100 feet long from  
the Dadeville and Montgomery mines  
to the site of the proposed leaching  
plant in Lost Gulch. Everything for  
the leaching plant will arrive within  
thirty days.—Globe Silver Belt.

W. D. Luce has purchased E. Sangu-  
inetti's interest in the Castle Dome  
Lead mines. This gives Mr. Luce  
complete control and he will imme-  
diately put in machinery to work the  
same on a large scale. The property  
is one of the best mining claims in  
Yuma county.—Arizona Sentinel.

At Crittenden matters are reported  
very lively, two and three carloads of  
valuable copper ore, concentrates, matte  
etc., being brought in daily from  
Harshaw, Washington Camp and Du-  
quesne for shipment to reduction works  
at El Paso, Denver, Pueblo and Kan-  
sas City.—Tucson Star.

The King of Arizona company is  
pushing the work of putting in the  
100 ton cyanide plant, and will in a few  
days begin prospecting for water in  
the valley a few miles from the mine.  
They propose to sink a well 2000 feet  
deep, and if sufficient water is not  
found at that depth, a pipeline from  
the river will be immediately put in.—  
Yuma Sun.

Amended articles of incorporation of  
the Spensazuma Gold Mining & Mill-  
ing company of Arizona, were filed  
with the territorial secretary Wednes-  
day morning. The New Mexico office  
of the company is at Deming, and the  
expected operations of the company  
will be on a pretty extended scale, for  
their capital is \$10,000,000.—Albuquer-  
que Citizen.

The old Juno mine, one of the Walla-  
pi mining company's new acquisitions,  
is having its 100 foot shaft, lately be-  
gun, driven down through three shifts  
of men, and will soon be complete as far  
as the contract calls for, when a drift  
of indefinite length will at once begin  
to cut the ore body. The work is be-  
ing done in excellent shape and speed.  
—Arizona Republican.

The contract let by the Lone Star  
Mining company to drive 100 feet on  
the lead in the fifth level of the Lone  
Star mine has been completed, and it  
is thought that the company will en-  
counter another contract at once. The fire  
distance of 100 feet was driven in a  
solid body of ore, and there is now in  
sight in the Lone Star a sufficient  
amount of ore to keep the mill running  
steadily for several years.—Bland Her-  
ald.

During last week the following new  
mines were denounced in the state of  
Durango: The old Maguayal silver  
mine, denounced as Los Angeles, situ-  
ated near San Juan del Rio; Sacra-  
mento, gold and silver, three kilo-  
meters north of Chusamee; Carmen,  
silver, lead and iron, near Cacamate;  
Aurora, gold and silver, near El Oro;  
Fin de Siglo, silver, near Topia; Co-  
briza, copper, gold and silver, near  
Conatlan.—Mexican Herald.

Great activity is reported in the Ca-  
nanea mountains, in the Arizpe district  
of Sonora, and many men are employ-  
ed there. Upon his copper properties  
Mr. W. C. Greene has 250 men employ-  
ed, and 130 are engaged in building  
roads. It is currently reported that Mr.  
Greene's properties have been placed  
with the Copper Queen Co., at a round  
figure. It is also stated that W. A.  
Clake, the Montana senator, has  
bought the interests of several differ-  
ent parties in the vicinity, the aggre-  
gate price reaching \$250,000, gold. Mr.  
J. B. Storman has also given a bond  
upon his copper properties. The price  
is set at \$250,000.—Mexican Herald.
